Greetings! welcome to the PartnerSHIP 4 Health e-newsletter. We hope you enjoy these exciting updates!

Clay County Strengthens Tobacco Policy

Clay County passed an ordinance on November 3, 2015 to regulate the use of any form of e-cigarette or related device. In short: "Don't vape where you can't smoke." A special thank you to county commissioners for making public health a priority.

Community Paramedics Offering Innovative Preventative Services

Through the support of the Community Wellness Grant community paramedics are receiving additional support to institutionalize preventative healthcare services in the region. These services help meet the needs of individuals quickly and efficiently while strengthening connections between patients and primary medical providers and reducing unnecessary emergency room visits.
