Scott Schwandt, our MN GreenCorps member, spent the weekend serving at the Detroit Lakes and Fergus Falls bike rodeos. He pumped tires and fitted helmets for kids who were looking to have fun and learn traffic safety skills. This year the bike rodeos got the highest turnout we have seen, and we are looking forward to a summer full of events like these ones.

Minnesota Pollution Control Agency is excited to announce that the Minnesota GreenCorps member application for the 2019-2020 program year is officially open! Applications are being accepted until June 17.
